

Student Policy October 2025

We are committed to sharing good practice with those wishing to pursue a career in childcare. We welcome students to join our staff team and gain work experience within our nursery.

We will only offer placements to students who are associated with a recognised child-related course, or on occasions, pupils from local secondary schools on work experience.

We expect all students to visit the nursery for an interview, followed by their student induction and nursery tour. At this time, students will have the opportunity to read and discuss relevant policies.

Our policy for those on placements is as follows:

- All students will have an enhanced Disclosure and Barring Service (DBS) check before their placement begins
- All students are assigned to a senior member of staff who will supervise their work and explain the health, safety and fire requirements of the nursery
- Students will be supervised at all times by the member of staff assigned to them and will not be left alone with the children. They will only change nappies under supervision
- Students will be supported to understand nursery policies and procedures
- We require students to keep to our confidentiality policy
- It is expected that during the student's placement, their tutor will visit the nursery to receive feedback about the student's progress
- Students will be offered support and guidance throughout their placement and given constructive, honest feedback in respect of their performance. Staff will respect individual students' needs and abilities
- An accurate evaluation of ability and performance for both students and training providers will be provided and the nursery will support students who are experiencing difficulties with action plans if needed
- All students on placement must adhere to the same codes of conduct as permanent staff including time-keeping and dress codes
- All students are encouraged to contribute fully to the nursery routine and to spend some time in every area.

In some cases, we may include students in our staff: child ratios. This will be the discretion of the SMT and only will only occur when student/apprentice is competent and responsible.
